Number of Middle-Skill Jobs in 2025

Why Community Colleges?

With our long-standing commitment to charge the lowest tuition in the state, Ohio’s community colleges are uniquely qualified to provide the most affordable, accessible higher education option for all students—from a traditional student seeking a low-cost pathway toward a bachelor’s degree, to working adults seeking to upskill their credentials. With our workforce-focused mission and a diverse student population, community colleges are uniquely positioned to deliver the innovation, flexibility and high-value postsecondary education and training crucial to Ohio’s economic success.

Average 2015-2025 middle-skill job openings in this district related to education level

- 3,229 Associate
- 2,193 Certificate

91% of credential or certificate recipients and 86% of associate degree graduates remained in Ohio after completing their program\(^2\)

Nearly 60% of community college students graduate with no debt\(^3\)
