**Why Community Colleges?**

With our long-standing commitment to charge the lowest tuition in the state, Ohio’s community colleges are uniquely qualified to provide the most affordable, accessible higher education option for all students—from a traditional student seeking a low-cost pathway toward a bachelor’s degree, to working adults seeking to upskill their credentials. With our workforce-focused mission and a diverse student population, community colleges are uniquely positioned to deliver the innovation, flexibility and high-value postsecondary education and training crucial to Ohio’s economic success.

---

1. Middle-skill jobs are defined by the Ohio Department of Jobs and Family Services as being “In Demand” and having an expected education level from more than a high school diploma to certificate or associate degree. (Source: Economic Modeling Specialists, Inc., 1016 4Q data set).
2. Statistic from the Ohio Department of Higher Education In-State Retention and Salary Analysis of Spring Graduates, 2015.
