Number of Middle-Skill Jobs in 2025

Why Community Colleges?

With our long-standing commitment to charge the lowest tuition in the state, Ohio’s community colleges are uniquely qualified to provide the most affordable, accessible higher education option for all students— from a traditional student seeking a low-cost pathway toward a bachelor’s degree, to working adults seeking to upskill their credentials. With our workforce-focused mission and a diverse student population, community colleges are uniquely positioned to deliver the innovation, flexibility and high-value postsecondary education and training crucial to Ohio’s economic success.

- 91% of credential or certificate recipients and 86% of associate degree graduates remained in Ohio after completing their program²
- Nearly 60% of community college students graduate with no debt³

Middle-skill jobs are defined by the Ohio Department of Jobs and Family Services as being “In Demand” and having an expected education level from more than a high school diploma to certificate or associate degree. (Source: Economic Modeling Specialists, Inc., 1016 4Q data set)

Statistic from the Ohio Department of High Education In-State Retention and Salary Analysis of Spring Graduates, 2015.

Statistic from College Board, Trends in Student Aid, 2015.
By the year 2025, House District 89 will have 5,771 middle-skill job openings, paying workers a median salary of $38,360

Your Legislative District

In order to meet the demands of an ever-changing economy, jobs requiring a postsecondary certificate or associate degree will continue to increase over the next several years in House District 89. With academic and job training programs that are aligned to meet local business and industry workforce needs, Ohio’s community colleges are deeply rooted in your community. 96% of our students are Ohio residents who want to stay, work and raise their families in the region and our colleges are committed to delivering the skills and training necessary to build a pipeline from the classroom to the workforce.
