Governor DeWine's Executive Budget FY 2024-2025

College Credit Plus

New Authority for the Chancellor to take necessary steps to ensure that school districts are fully participating in College Credit Plus

Requires the Chancellor to Increase the Number of Model Pathways in Certain Fields, such as engineering technology, nursing, mental health service providers, law enforcement and others.

ADDITIONAL NOTE - Recommendations of Auditor of State Keith Faber's Performance Audit that called for expanded participation in the program likely to be introduced in legislation soon.

Governor DeWine's Executive Budget FY 2024-2025

Core Funding

New SSI Funding Proposed Over Biennium

Community Colleges - \$42 million

Universities - \$142 million

New Tuition Authority Proposed Over Biennium

Community Colleges - \$5 Per Credit Hour, in Each Year

Universities – Allows universities to increase tuition only under the tuition guarantee law, which would equate to an average \$19 per credit hour increase in Year 1, likely higher than that in Year 2

Authority to Offer Nursing Bachelor's Degrees First Authorized by the General Assembly in 2021
