- Reorganized and implemented Summer 2022
Utilizing Canvas in Assessment Process
Assessment Tool #1: Rubrics

• Rubrics uploaded into Canvas
  – Available to all classes
• Rubrics customizable to class
• Instructors build rubrics into assignments
• Video instructions sent to faculty
Add a Rubric to Canvas
• Create assessment term in Canvas
  – Create separate courses/sites in term
• Use as a data warehouse
• Use as an improvement tool
Assessment Tool #3: Data

• Create dashboards
  – Faculty access
  – Data available and usable

• CLO Assessment Dashboard
Conclusion/Takeaways

- Start small
- Work in parts
- Involve faculty
- Be adaptable
- Embrace trial and error
- Plan for contingencies
